# MAIN ENTRY FORM

To be used when a dog is doing its **second and any subsequent tests** in any of the Dog-Games. The "First Entry Form" should be used when a dog begins doing Dog-Games for the very first time.

We recommend that the witness/tester use the Training Record Sheets (see "Leaflets & Forms" on the website's Main Menu) at the training session to record each dog's progress as they work their way through the various Games and levels.

Then use this form afterwards (when things are less hectic!) **- one line for each successfully completed test –** and post it together with **a £2 fee for each test/line on this sheet** to "Dog Games Ltd, PO Box 47, Malvern, Worcs, WR14 2ZR (cheques or postal orders payable to DOG GAMES). Alternatively, trainers or handlers can submit their entries and fees by email and by using our on-line web shop – www.dog-games.co.uk/shop/. This is done by buying batches of 5 entries (or more) at a time.

Certificates, rosettes and trophies will be sent directly to the handlers on receipt of this form with the correct amount of fees. However, if the group's trainer wishes to have these awards sent to them instead (eg. for an awards ceremony in front of the whole group at their next meeting) please write their address here –
