

DOG TRAINING & GAMES
FOR ALL AGES & ABILITIES OF DOGS
 NEAR WELLAND, Worcs (outdoors)

We use unique and internationally recognised training methods that are consistent, kind and positive for both handlers and dogs – helping them to have fun “*Learning and Achieving Together*”.

When they join Dog Games each new dog or puppy is given an hour’s personal assessment in our safe and secure netted compounds – so that the dogs can run around safely off-lead.

We then offer one-to-one training (ie. NO groups or classes) based around 8 simple **non-competitive** Games, with certificates, rosettes & trophies being awarded at each stage of the training. Your dog’s name, photo and progress will also be shown on our web site.

Our sympathetic methods also enable handlers to learn to recognise and reduce the symptoms and causes of stress in their dogs, strengthening the bond of understanding between humans and our canine companions. We welcome prospective clients to come and watch our training sessions (without their dog being present).
